

OCT 81

LAKEHEAD AMATEUR RADIO CLUB BULLETIN

Founded 1934 Incorporated 1979

The next regular meeting of the LAKEHEAD AMATEUR RADIO CLUB (inc) will take place this October 8, at the EMO Headquarters at the corner of Waterloo and Victoria. Starting time is 8:00 p.m.

This is the election meeting for the new season. Nominations will still be accepted from the floor. If you are interested in helping out this is your chance. Most positions take only a small amount of time each month, but must be done to keep the club alive.

A very small issue this month, in fact, the smallest since we have been editor. After all, the position is editor- not reporter, and we can only type what is submitted by the rest of the club members. Maybe with the cold weather, there will be more time for hamming.

FLASH.....
SNOW WAS SIGHTED EARLY MORNING OF OCTOBER 1.. THIS PROCLAIMS THE START OF THE 'ANTENNA SEASON'. Hold on to your ears at the meeting. Seems like the antenna seasons are getting started earlier every year.

With the election this month, we lose Bob Mitchell as president, (unless he runs again). My thanks to Bob for all the help in the past year by providing many pages for HI-Q. It sure helped out.

CLUB STATION VE3·FW

LARC

OCTOBER 1981 HI - Q

MINUTES OF THE SEPTEMBER MEETING.

The meeting started at 8:00 p.m sharp
The minutes from the June meeting were not available.
The bank balance was given as \$538.70 as of August 28/81. The balance was approved.

No old business
No committee reports

The list of members standing for office as submitted by the nomination committee was given by Gary, HJS. These names were listed in the September issue of HI-Q. In addition the following members stated their willingness to let their names stand for office:

Vice president - Tom, EEW
Director - John, HTM
Editor-HI-Q - Mike, HZW

Gary HJS was looking for assistance for the Heart of Thunder Bay road race.

Bob, IDJ reminded all that memberships are due as of the October meeting.

Motion that \$45.00 be paid to Pat.HFS for postage of HI-Q. Moved by Mike,HZW seconded by Dan,KRO

Bill, XJ reported that dish antenna had been sold for \$1100, with money to be given to club treasurer for deposit into the club account
Round table followed business portion of the meeting.

Les, AYZ presented a very interesting slide presentation on some of the old weather stations across the country, including shots of some old time radio equipment and aircraft.

Meeting adjourned at 9:30p.m.

Thanks to Bill, EFC for standing in as secretary and taking the minutes.

THE PREZ SEZ THE PREZ SEZ THE PREZ SEZ

Just a very brief note to thank all of the past executive and members who participated in the many events of the last year. To those of you who are considering taking on a position in the new executive - if you are not committed to the task then don't take the responsibility. I do not believe that the President of the club is the one to do the work(that is run all the committees etc.) but rather the committee chairperson should run his program and make sure the job is done. Whatever job you get elected to do, do it as best you can within the directions established by the constitution. Many ideas were started at the first executive club meeting last September, and unfortunately most of these ideas failed to be carried out. I hope the new executive are more productive.
I am looking forward to a winter of on air activity, mostly on SSTV some homebrew projects which have been sitting on the shelf for the past year.

October HI-Q

The following is a retyped copy of a letter send to Bill VE3-XJ.

JEUX CANADA GAMES '81 (letterhead)

September 9, 1981

Mr. Bill Klemacki
244 Egan Street
Thunder Bay, Ontario
P7A-2W7

Dear Bill:

Thank you very much for all your help and the great amount of time you spent assisting with the organizing of the Cycling events. I hope the next time you're in your truck and you see a cyclist, you don't instinctively reach for your 'mic' as a result of your involvement.

Would you please on my behalf, pass on my sincere appreciation and congratulations to the Thunder Bay Amateur Radio Club for a large critical job well done. As you know, the major officials were most impressed and at times thought we could get along without them.

Your club has set new standards in Canada for race coverage which will probably not be duplicated elsewhere. I hope everyone enjoyed themselves and feels proud of an integral role accomplished flawlessly. Thanks to all again.

Yours sincerely,

(signed)

Harry A. Curtis
Cycling Chairman

.....

XMAS MESSAGES

It is getting near that time of year again. What is? Xmas messages for Senior Citizens.

Last year, BE3-JAB Bob Bishop, acted as co-ordinator and this year a volunteer is needed to take his place, and plan the programme for the L.A.R.C. November meeting.

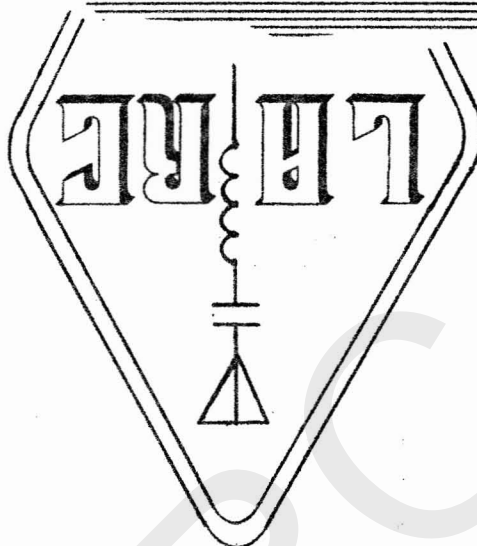

Each year this programme sponsored by the L.A.R.C. has brought pleasure and happiness to many Senior Citizens.

.....Les VE3-AYZ

* * * * *

Committee reports are welcomed for publication in HI-Q. If you are in charge of an event, why not give the results of it for others to read. After all not everyone participated in the events but would like to know about them. Who knows, if the event sounds that great, they might volunteer for the next one. Also those that gave up their time deserve some recognition. HI-Q is sent to several other clubs as well as provincial and national organizations, lets brag about all the things that the L.A.R.C. is involved in.
